Lewiston ID

Comin' round the Mountain

January 12th Chapter Meeting

The Meeting will be held at the 49'rs Saddle Club, 6601 Tammany Creek Rd. at 6:30 pm. Face masks are strongly encouraged as well as social distancing. We have lots of business to discuss as it has been a while since we had a regular meeting.

2021 Officer Elections

Voting by mail for our 2021 chapter officers was a first. Thank you to everyone that took the time to mail back your ballots. Let's hope our voting was not as controversial as the U. S. Presidential Election.

Your officers for 2021 are; President-Bob Hough, Vice-president-Carl Paulson, Secretary-Susie Paulson, Treasurer-Connie Baker, State Directors-Pat Bogar & Karen Parks, Alt. State Director-Ardel Petz. These officers are also the Board of Directors for the chapter.

A special thanks to our nominating Committee our past officers and our new officers that have stepped up to lead us through the coming year.

BCHI Raffle Calendars

We need all the money turned in at January's meeting. If you can't make the meeting, call Pamela at (509-330-0227) and make arrangements to get the money to her. If you have not sold all the raffle calendars that you took, please make the effort to get them sold and bring your money.

Meeting Agenda Items:

Annual Chili Ride, Chapter FUNdraiser Ride, TRBCH Kid's Kamp, Events open to the Public submitted for Liability Insurance by Feb. 15th deadline, Clearing Redbird Trail, Clearing North Fork Asotin Creek Trail, Clearing Fordyce & Cabin Gulch Trails, First Aid and Sawyer Certification Training, Projects in Seven Devils Wilderness, projects in the Clearwater-NezPerce N F, monthly chapter rides, other activities the members wish to take on?

Seven Devils Wilderness Project

Cathy Conover contacted TRBCH and said she should have regional funding through the Great American Outdoors Act to fund volunteer partners for 2021. This funding is for deferred maintenance only, logging out, brushing, rock removal, sluff repair. There would be substantial financial compensation for the work. This would be projects like the one we did clearing Dry Diggins Ridge Trail last year.

BCH of Idaho Broomtales Newsletter

The State Newsletter is published three times a year, March, June, and October. New Chapter President, Bob Hough would like to see our chapter more involved in articles in each issue. He would like someone to volunteer to be in charge of making sure that a member submits an article each issue.

They would not have to write the article themselves, just find someone to make it happen.

2021 Membership Applications

Many of you renewed your membership when you mailed in your election ballots. If you have not renewed yet, there will be applications at the chapter meeting or you can download an application from the chapter website and mail it. Talk to some

of your riding partners and see if they are interested in joining Twin Rivers for the coming year. Many members have spent many hours clearing trails close to our valley last year. We can always use another set of hands to help clear trails to make our rides enjoyable.

We hope for an exciting year for the chapter in 2021!

Certified Weed Seed Free Forage is required in all national forests and state lands.
